NOTICE

WHEREAS on May 8, 1963, God, in His infinite wisdom, called from our midst to her eternal home our beloved friend and co-worker, Mrs. Lottie Brown Bledsoe, widow of the Reverend Adam Clark Bledsoe, and

WHEREAS she was a devout and consistent member of the Methodist Church having labored faithfully with her husband in the itinerancy during the years of her early married life, and having been active in this church for a long number of years, serving as President of this organization for a term, and a teacher of the Ladies Bible Class as long as her health would permit; and

WHEREAS by her gracious manner, her daily life in which the virtues of Christian character found distinct expression, and her unwavering devotion to the cause of Christ, she had won a host of friends, and had exerted an unforgetable influence on those with whom she came in contact;

THEREFORE, BE IT RESOLVED:

FIRST: That we, the members of the Woman's Society of Christian Service of Memorial Methodist Church, Appomattox, Virginia bow in humble submission to the will of God, realizing that while her passing has created a vacancy which will be keenly felt by the entire membership she has joined the great number of ransomed saints in her home 'Beyond the Sunset';

SECOND: That we extend to her bereaved family our sincere sympathy, praying God's comfort and strength upon them, and that we offer this tribute of respect to her memory in appreciation for the enrichment which has come to our lives through association with her in our work.

THIRD: That a copy of these resolutions be sent to the family, a copy published in the Times-Virginian and the Methodist Advocate, and a copy spread upon the minutes of this Society.

To the Voters of Appomattox County:

I am a candidate for the office of Commissioner of Revenue for Appomattox County in the July Primary. I was born and raised in Appomattox County, graduated from Appomattox High School. I graduated from VPI three years ago and received a degree in Business Administration. Since graduating from college I have lived in Appomattox and taught Business Administration and Physical Education at E. C. Glass High School. My training, I believe, qualifies me for this position.

Since finishing my teaching position at E. C. Glass High School, I have taken a temporary job to support my family. Due to this employment I find it difficult to get out and see each one of you personally before the July Primary. I know that it is extremely important that I contact each voter and ask for his or her vote and support. I am making every effort to do this and hope that you will understand my situation if for some reason I am unable to see you in person.

Again, I pledge to you, if elected to this office, to fulfill this position to the best of my ability and to serve all of the residents of our county courteously, efficiently, and honestly. I solicit your vote and support for this office and trust that you will give me your every consideration and understanding.

Thank You Kindly,
Tommie O'Brien
